REQUEST TO OBTAIN A BUSINESS TAX REGISTRATION CERTIFICATE FOR COMMERCIAL ACTIVITIES RELATED TO INDUSTRIAL HEMP

Instructions:

This form is to be used for businesses seeking a Business Tax Registration Certificate (BTRC) to engage in commercial activities related to industrial hemp and/or cannabidiol (CBD) derived from industrial hemp in the City of Los Angeles (City). The Department of Cannabis Regulation (DCR) does not regulate the sale of CBD oil, CBD products or hemp products if they are derived from industrial hemp, as defined in Section 11018.5 of the Cal. Health and Safety Code. No cannabis-specific City license is required to sell those products. Therefore, to receive a BTRC and engage in commercial activities related to industrial hemp, you must attest that the products you intend to sell are derived from industrial hemp.

If the CBDs, CBD oil, or hemp products you intend to sell are derived from cannabis, as defined in Cal. Bus. & Prof. Code § 26001, then your business must obtain a commercial cannabis license from DCR. For more information on applying to DCR, please see: <http://cannabis.lacity.org/>.
